PRINCE2 PRACTITIONER
PRACTICE EXAM QUESTION INFORMATION

Practice Exam Question Details

If you require extra revision before sitting the PRINCE2 Practitioner exam, we can offer a 'practice exam question marking and feedback' service.

We would send you practice exam scenarios and questions for you to attempt in your own time (or if you can bear it – in exam conditions!). You would then submit your answers to us for marking, and we would provide you with detailed feedback via email and/or telephone conversations.

This will develop your exam technique and offer you an insight on the examiners expectations of your answers.

Once you are feeling more confident, you can then arrange to sit the Practitioner exam.

Note: Please allow a minimum of 2 weeks between the date you submit your answers to us and the date you wish to sit the exam, to ensure there is adequate time for us to mark your paper and provide feedback to you that you can make use of.

The APMG are the examining body for PRINCE2 and are responsible for all aspects of the provision of exams including setting, marking, feedback and appeals. Scoll Methods, as an accredited training organisation, acts as their agent in providing administrative facilities.
